Approved For Release 2002/10/31 : CIA-RDP80B01676R002300150028-3 DEPUTIES: MEETING

~	
1954	ىپ 25X1

	Wednesday, 14 April 1954 25
25X1	PRESENT: Mr. Dulles, General Cabell, Messrs. Wisner, Amory, Colonel White, Messrs. Kirkpatrick, Sheldon, 25X
	Mr. Dulles:
25X1	a. Briefly reported on his conversation of yesterday with and stated he was preparing a cable on this.
	25X ²
	Mr. Wisner:
25X1	a. Reported the AEC had requested that appear as a witness in the Oppenheimer case in view of his former connection with the Manhattan Project. It was also noted there was a possibility that Oppenheimer
25XT	himself might request to appear in his behalf. General Cabell stated he was aware of this problem and had asked and Colonel Edwards to get in touch with the Security Officer of the
	AEC to determine whether it was absolutely necessary for 25X to appear in person, since such action would reveal his connection with the Agency.
25X1	c. Recommended that in order to forestall speculation respecting departure from the Washington scene, we adopt the party line that he had been sent to one of our training areas for preparation for a new assignment. The DCI

approved.

Approved For Release 2002/10/31 : CIA-RDP80B01676R002300150028-3

Mr. Dulles (Continued):	
d. Reported that Ambassador Conant was expected in Washington during the week beginning 25 April and asked whether the Director wished to arrange a luncheon and briefing for him. The Director indicated that he did.	25X1
Mr. Kirkpatrick: 54.22.54	
Recommended that the Director call on Congressman Carl Vinson at some opportune time. The Director indicated he would.	
Colonel White:	
Noted he had two requests for additional construction at and stated that immediate action was imperative, since if these requests were approved he wished to pay for this construction out of current fiscal year funds. The Director asked that this matter be considered by the PRC this afternoon as a matter of urgency.
